

Please contact our office at (202)687-3600 to make your reservation. Our information session room accommodates 70 visitors; we hope that this smaller setting gives you a more personal introduction to Georgetown's campus and community. Since our capacity is 70 visitors at each time, we encourage you to contact our office for a reservation at least two weeks in advance of your visit. A confirmation number will be provided at the time of reservation. **Sessions do fill up and become unavailable, so please contact us to confirm availability of a particular date and time.** When you make your reservation for the information session, you are automatically signed up for the campus tour. We look forward to your visit. **Please note our office is closed on Sundays.**
